Portfolio: <https://stephen-s-portfolio.vercel.app/>

CAREER SUMMARY:

Fresh Computer Science graduate with hands-on experience in IT support and web development gained through OJT at CvSU Carmona. Developed academic systems using PHP, JavaScript, and MySQL, and assisted in resolving technical issues in a real office environment. Looking to grow as an entry-level IT professional and contribute practical skills to a team-oriented workplace.

WORK EXPERIENCE:

McDonald's Ulong Tubig Carmona

Service Crew | 16 July, 2025 – July, 2026

- Delivered fast and courteous customer service in a high-volume fast-food environment.
- Took and processed customer orders accurately at the counter and drive-through.
- Maintained cleanliness and sanitation standards across food prep and dining areas.
- Collaborated with team members to meet service targets during peak hours.

Cavite State University – Carmona Campus

IT Support / Web Developer (OJT) | July 07, 2025 – September 07, 2025

- Provided technical support and troubleshooting assistance to faculty and staff.
- Diagnosed and resolved hardware, software, and network-related issues.
- Assisted in the development and maintenance of university web systems.
- Documented technical issues and solutions to build an internal knowledge base.

RELEVANT RESEARCH AND PROJECTS:

Pre-Enrollment Assessment System

Intern Web Developer | 07 July, 2025 – 07 Sept, 2025

- Built a pre-enrollment assessment system to help the program coordinator evaluate the students of Bachelor of Science in Computer Science in Cavite State University – Carmona
- Designed and implemented assessment modules tailored to evaluate student readiness and academic background.

Automated Study Plan Generator Using CSP-Greedy Approach for Cavite State University

Backend Developer | Sept, 2025 – June, 2026

- Developed the backend logic for an automated study plan generator using a Constraint Satisfaction Problem (CSP) and Greedy algorithm approach.
- Implemented algorithms to generate optimal and conflict-free study plans based on student curriculum and academic standing.

EDUCATION:

- Cavite State University – Carmona Campus – Sept 2022 to Sept 2026
Bachelor of Science in Computer Science
- Young Programmers and Developers Association
Vice President – Dec 2025 to June 2026
